You mean this? I have attached Figure 1 from Appendix of the SV-CWCM QAPP. Let me know if you are looking for something else.

Hi Rob - could you send a figure showing the station locations?

Thanks

AECOM will post the data to the LPR Sharepoint; they are large spreadsheets

Rob,

We have not received the physical measurements data taken during the svCWCM sampling events (turbidity, pH, etc). Can you provide those -maybe in a spreadsheet-?

Thanks,
